Tax Forms Still Available

As the deadline to file your income taxes, Monday April 16th, continues to get closer, tax forms are still available in my office.

I have made available both state and federal tax forms, along with instruction booklets for the corresponding forms.

If you are someone who still likes to complete the paper copies of your tax forms and you do not file electronically, feel free to stop in my office to pick up the forms you need.

Also, if there are specific forms that you are looking for, but we do not have them, someone will download it and print it for you.

Visit my website for additional income tax information and helpful numbers to call should you have other questions.

Boys and Girls Clubs Pizza Throwdown

Recently, I had the privilege to be a guest judge at the Boys and Girls Clubs of Rochester's Pizza Throwdown. The event was held at UNO Chicago Grill in Henrietta.

The competition featured youth from the Boys and Girls Clubs of Rochester against UNO's own pizza chefs to see who makes the best deep dish pizza. For more photos from this event, and others this week, follow me on Facebook.
