### 2012 NEW JOBS-NY Job Creation Plan

Recently, I joined with my colleagues in the New York State Senate to announce the 2012 NEW JOBS-NY Job Creation Plan. This new initiative will create jobs, cut taxes, and control state spending.

This plan includes: a 20 % tax cut for small businesses, reducing the corporate tax rate for small businesses from 6.5 % to 5.2 % and eliminating the fixed dollar minimum; a 10 % tax credit for 800,000 small businesses that pay under the personal income tax will save them \$120,000,000; and tax credits up to \$10,000 for businesses for each new job they create.

There are also tuition credits and deductions for families with students seeking higher education.

For more information on this plan, visit my website at [www.robach.nysenate.gov](http://www.robach.nysenate.gov).

### 9th Annual Gabe Dalmath Memorial Walk

On Sunday morning, March 11th, I had the privilege to visit with, and speak to, participants prior to the 9th Annual Gabe

Dalmath Memorial Walk for Camp Northpoint. This year, the walk raised funds to support a pavilion for Sports Camp and a low ropes course for team-building events. In the past, it has funded the completion of a multi-sport courts, sports fields, shelters, archery ranges, zip-line and the Wegmans Amphitheatre.
