In Honor of Memorial Day...

On Monday, we will all celebrate Memorial Day. There are a number of great events taking place around the area this weekend to honor the brave men and women who have made the ultimate sacrifice for our Country.

Here's a little history on Memorial Day:

- Memorial Day was formerly know as Decoration Day, until 1882, and was created to honor United States citizens who died while on military service.
- The first known observance was in Waterloo, New York on May 5, 1866.
- In 1971, it was changed by Federal Law from May 30th, to the last Monday in May.
- A national moment of remembrance is held at 3:00 p.m. local time.

All the best wishes to you and your family for a safe and happy Memorial Day!

Women of Distinction

I recently had the privilege to honor Dr. Anne M. Kress, president of Monroe Community College, as a 2011 Woman of Distinction. Since beginning her tenure in 2009, Dr. Kress has elevated the college's role in several key areas – readiness for college, college completion, workforce development, diversity and sustainability – to better serve the needs of students and the community.
