National Night Out Against Crime

Tuesday, August 2nd, marks the annual National Night Out Against Crime. This night is designed to heighten crime and drug prevention awareness, generate support for, and

participation in, local anti-crime programs, and strengthen neighborhood spirit and police-community partnerships.

A number of events around my district are taking place Tuesday night as a part of this nationwide celebration.

I hope that you and your family will be able to take part in the events that are in your community on Tuesday night. For more details of Tuesday's events, see the Out and About column to the right. You can also visit my website for more information.

Pizza Throwdown

Earlier this week, I had the privilege to serve as a judge as UNO Chicago Grill in Victor hosted a "Pizza Throwdown" with 39 of Wilson Commencement Park's students going up against UNO's own pizza chefs in a competition to see who can make the best deep dish! In advance of the event the students formed three teams, and each team wrote an essay describing their idea of the "ultimate pizza". The kids won! For many more photographs from this great events, find me on Facebook.
