Tips for a Safe Halloween

I would like to wish every one a very Happy and safe Halloween. Hopefully the weather is nice Wednesday if you and your children go out trick-or-treating.

Here are some safety tips from the Center for Disease Control and Prevention to keep in mind:

- Avoid trick-or-treating alone. Trick-or-treat in a group.
- Fasten reflective tape to costumes and bags to help drivers see you.
- Examine treats for choking hazards and tampering before your children eat them.
- Use a flashlight while trick-or-treating.
- Dress appropriately for the weather and be sure you can see clearly out of any masks or costumes.

Grant Helps Greece Central Secure iPads for 3rd-5th Grade Students

I am proud to partner with the Greece Central School District to put technology into the hands of Greece elementary school students. In an effort to increase students' access to, and understanding of technology, the district recently purchased 30 iPads for each school serving grades 3-5. For more information about this program, visit my website.
