

Suffolk County Department
of Health Services
Office of Minority Health
Presents the 6th Annual
*Taking the Road to Eliminate
Health Disparities Conference*
**A Multicultural Approach to
Providing Cancer Care**

**Friday, November 4, 2011
from 8:00 AM – 2:30 PM
Touro College Jacob D. Fuchsberg Law Center
225 Eastview Drive
Central Islip, NY 11722**

Main Conference Goals:

Conference Goal

To educate health professionals regarding the disparities in cancer treatment of patients in various ethnic communities and to provide the tools to eliminate these barriers.

Educational and Performance Improvement
Objectives

Upon completion of the conference attendees will be able to:

- Identify the disproportionate mortality rate from cancer in minority communities and discuss factors contributing to this disparity
- Define the role that ethnic, cultural, and language differences contribute in cancer screening, diagnosis, and treatment
- List ways to address barriers to cancer screening and treatment in minority communities
- Identify support resources for cancer patients in Suffolk County

Target Audience

Health Care Professionals, Public Health Professionals, Social Workers, Educators, Community Leaders/Advocates, Policymakers, and Medical, Law, and Public Health Students
