Are there issues you would like to discuss with Senator Serrano, or with his staff, but are unable to visit his District Office? Come meet with Senator Serrano's staff about your problem or situation. We are here to assist!

In addition, we will be joined by an IRS-trained and certified volunteer from Ariva who will be providing general advice about the tax-preparation process. You should also stop by to pick up our list of all of the free tax preparation sites in the 29th Senate District.

For more information, please call the Office of NY State Senator Jose M. Serrano at 212-828-5829 or email us at Serrano@NYSenate.gov
