"Our courageous veterans deserve the best because they have sacrificed so much for our great nation. New York State offers many great opportunities and benefits for our military veterans to help them enter and transition into civilian life. This forum is designed to help connect them to those programs and services, a win-win for our veterans and our state."

SENATOR JOE ROBACH'S FREE VETERANS INFORMATION FORUM

Senator Robach is proud to partner with local veterans organizations, advocates and healthcare professionals on an informational forum for Rochester and Monroe County veterans. We will discuss available job services and trainings, health benefits, peer-to-peer programs, volunteer opportunities and so much more! Free coffee and donuts will be provided.
