

CLERGY AND LEADERSHIP BREAKFAST

SPECIAL GUESTS:

HONORING WOMEN LEADERS

The 400 Foundation, Inc. is recognizing the women who have helped move us FORWARD and calling the faith community to come together and lead the way for real and meaningful progress through economic development and political mobilization.

2019 marks the 400th Anniversary of Slavery in North America. It's been 400 years and the time is now to bring the church, elected officials, and community together to go FORWARD in 2020.

The time is here and the time is now!
