Make History
 as New York Votes Early
 for the Very 1st Time!

NOTE: Only those who are designated for this poll location will actually be allowed to vote along with the senator, but everyone is asked to come out and show their support and encourage others to vote early.

To find your early voting location, call 311 or visit: nyc.pollsitereg.com/search

*New Yorkers' busy schedules often make it difficult to get to the polls and vote. That's why NYS Senator James Sanders Jr. passed a law to allow registered voters to **vote in person before - Election Day - starting October 26** - at a designated early voting site.*

Early voting works the same as voting on Election Day. Just show up at your early voting site, check in to receive your ballot, and cast your vote.

NOTE: Your early voting location may be different from your normal polling site.

THE PRESS IS HIGHLY ENCOURAGED TO ATTEND.

**If you have questions or to RSVP,
 call Senator Sanders' Office at 718-523-3069 or 718-327-7017**
