**Thursday, January 14, 2010
12:30pm**

Robert Couche Senior Center
137-57 Farmers Blvd.
Jamaica, NY 11434

The Internet has many benefits. It allows us to stay in touch, get news and information, and buy things cheaply. However, we also need to know how to stay safe, protect our personal information, avoid scams, and use the right tools on our computers.

- Learn to protect yourself from identity theft, scams, and fraud.
- Learn how to save money by shopping safely.
- Even if you've never used a computer, come ask questions. Be informed!
