**80 Cherry Valley Avenue, West Hempstead, NY 11552**

# Shed, Shred and E-Cycling Program

Any type of medication can be brought for safe disposal. Additionally, sharps are also accepted. Safely disposing of medications prevents pollution of our waterways, protects our environment and keeps them out of the wrong hands.

Sanitary District 6 e-cycling program will be available. Bring down your unwanted computers, televisions and DVD/VCR players for recycling.

In addition, for your convenience, a shredding truck will also be available. A limit of 5 bags or 5 boxes of papers will be safely shredded.
