Operation Safe Child ID Program

Sponsored by:

**Senator Kemp Hannon and
District Attorney Madeline Singas**

Your FREE, wallet sized ID card includes your child's name, photo, biographical information, and fingerprints.

You may elect to have your child's data linked to the AMBER Alert system.

When a child is reported missing, time can be the greatest adversary. Possessing up-to-date photos and important information about one's child are important proactive measures a parent can take to assist law enforcement should a child disappear.

Stop by the following location for your child's FREE ID. No reservations are required. Please call my Community Office (516-739-1700) or visit www.kemphannon.com for more information.
