November 30, 2010

The Honorable Martin J. Golden
State Senator, 22nd District
7408 5th Avenue
Brooklyn, New York 11209

Dear Senator Golden:

This is in response to your July 28th letter regarding the need for additional traffic controls at the intersection of 99th Street and Shore Road. Please accept my apologies for the delay.

We completed a study earlier this month and are pleased to inform you that a traffic signal has been approved at this location. Installation will be performed by contract and the work is tentatively scheduled to be completed by March 31, 2011.

Thank you for your interest in this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "JP", is written over the printed name of Joseph Palmieri.
