We hope that our community will have great attendance at this forum. This is your opportunity to voice your concerns and give the potential new Mayor your ideas to help make our community safer and more prosperous. Let us show the candidates that we are truly "A community that cares."

It is our opportunity to have all the information we need to make an informed choice on Election Day.

The CCA would like to thank ANDREA LOOTENS of Charlotte Harbortown Homes for hosting this event

Sponsored by one of the oldest community organizations in the City of Rochester!
