

New York State Senator  
Jeffrey D. Klein

## Environmental Justice Grants AVAILABLE NOW!

More than one million dollars will be awarded this year by the NYS Department of Environmental Conservation (DEC) for projects that address environmental problems and related public health issues at the community level.

*Please join me for an information session with DEC officials, where you will learn how Community organizations can access these grants.*

Organizations do not need 501(c)(3) status to apply.  
Don't miss this great opportunity!

### EVENT INFO

**DATE:** Wednesday, July 27, 2011  
**TIME:** 6:00—8:00 p.m.  
**LOCATION:** Locust Point Civic Assn.  
3300 Tierney Place, Bronx, NY 10465

#### Approved projects may include:

- Efforts to increase public awareness and understanding of environmental contamination or clean up activities
- Inventories of contaminated sites in the community
- Green infrastructure for storm water abatement such as green roofs, green walls, and street trees
- Air and water quality monitoring
- Community gardens
- Clean-up of lead or mercury contamination in homes or schools
- Education projects that connect inner-city youth with the environment—such as the asthma mitigation programs supported by my office

The deadline for applications is September 9, 2011.
