

Spring 2012

Dear Friends:

I would like to invite you to the 10th annual Community Wellness Day health fair that I am co-hosting on Tuesday, April 10th, from 10 a.m. to 2 p.m. at the upper level of the Riverfront Center, Amsterdam.

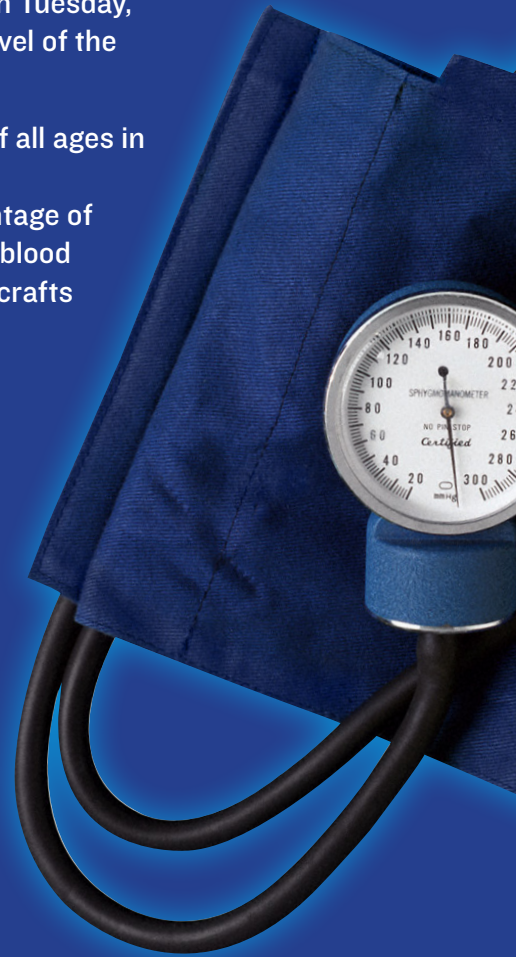

This free health fair is designed to put people of all ages in touch with dozens of local health and community service providers. Come take advantage of their expertise on a wide variety of health issues. There will be free blood pressure checks and body mass index testing, as well as children's crafts and activities.

If you are unable to attend, I can provide you with contact information for these agencies, health brochures and web links for additional health information. Call my office at 843-2188, email me at farley@nysenate.gov or visit my website at farley.nysenate.gov

Cordially,
