Chairman & CEO  
Metropolitan Transportation Authority  
347 Madison Avenue  
New York, NY 10017

Dear Chairman Prendergast:

I write to inquire about the status of the plan for full line reviews for all subway lines in the New York City subway system. As you may recall, during your confirmation hearing on June 20, 2013, you made a commitment that the Metropolitan Transportation Authority (MTA) would conduct full line reviews of every subway line in the system. It is important those full line reviews proceed with all possible speed. Please inform me of any full line reviews the MTA has completed as well as the schedule for future full line reviews.

I appreciate your desire to assess each subway line and make specific improvements to their performance while planning for future needs, a goal that the full line review achieves particularly well. Following my requests in 2009, 2011, and 2013, the MTA undertook Full Line Reviews of the F, L, and G lines -- resulting in improved service for riders on all three lines. I am positive we can reapply that successful model to the rest of the subway system.

Thank you for your commitment to improving mass transit. I look forward to working with you on implementation of any improvements to our public transit system. As always, you may contact me with any questions or concerns at 212-298-5565 or [squadron@nysenate.gov](mailto:squadron@nysenate.gov).

Sincerely,

Daniel Squadron  
State Senator
