Farms and businesses across Western New York are opening their doors, issuing a heartfelt invitation to sample the abundant bounty and natural beauty found in New York's growing venture —agritourism. Agritourism is the intersection of agriculture and tourism, a heady mix of farms, markets, people, livestock and the culture of growing food, guaranteed to entertain people of all ages. Whether you're looking for an authentic farm experience, a pastoral setting to pick strawberries or ride horses, or scary twists and turns in a Halloween corn maze, it can all be found right here in your own backyard

So what are you waiting for? Come out and experience for yourself the many delights and adventures that your agricultural neighbors have to offer.
