Let your book take you away on a summer journey!

Now that you are officially a participant of the New York State Senate's Summer Reading Program, use this reading journal to record your adventures. I have listed some easy steps to help guide you in your reading:

1. Choose at least three interesting books and start reading!
2. When you finish each book, write down the title, the author and tell me what the book was about.

3. After you have read three books, have a parent or guardian sign this journal.

4. Fold the journal in half, with the mail panel showing, tape the top closed, put a stamp on your journal and mail it back to me. Once I receive your completed journal, I will send you a special certificate congratulating you on completing the New York State Senate's Summertime Reading Program.

Your Friend,

Owen H. Johnson
