

SAVE OUR TEACHERS!

This Sunday, support the KEEP Act!

**“Keep Excellent & Effective Professionals
in the Classroom”**

- State budget cuts will cause NYC to lose up to 8500 teachers
- “Last In, First Out” restrictions mean the last teachers hired are the first to lose their jobs.
- Under current rules, some school districts could lose up to 20% of their teachers!
- This bill would ensure that when layoffs are made, we consider how good a teacher is, not just how long they’ve been teaching.
- Ensure our most effective teachers remain in the classroom!
