To Whom It May Concern,

I am writing this letter in support of reinstating a school crossing guard at the corner of Junction Blvd and the Horace Harding Expwy. This is a very dangerous intersection for our students and it is imperative that we have proper supervision at this corner. We have many children who must cross there and the addition of all the stores has created an unsafe situation.

As principal of PS 206 I am very concerned about the safety of my children and I support all efforts that are being made through our community organizations. If you have any questions, please do not hesitate to call me at the school.

Sincerely yours,

Joan L. Thomas
