## MARCH TO THE MAILBOX

THERE'S STILL TIME, IT'S NOT TOO LATE

**March to the Mailbox Day** is being used as a point of reference to ask people to send back their completed census forms. The U.S. Census counts every resident in the United States, and is required by the Constitution to take place every 10 years.

The 2010 Census will help communities receive more than \$400 billion in federal funds each year for things like, hospitals, emergency services, job training centers, schools, senior centers, bridges, tunnels and other-public works projects.

### TODAY WE COUNT, TOMORROW WE VOTE
