STEP THREE: Signatures, Attestments and Disclaimers: Please read the disclaimers carefully and sign the application.

Please Print this page and then, having read the disclaimers carefully, sign the page and have it signed by your local economic development agency.

Disclaimers

1. National Grid has the sole responsibility for selecting grant recipients.
2. National Grid retains the right to conduct pre-installation and post-installation site visits.
3. I understand that this application may not be approved if the project costs were accrued or equipment purchased prior to flooding on July 1st. I understand that final

payment will be contingent on total costs received from state, federal disaster aid, insurance or other emergency sources. Upon approval, payment will be issued to the applicant.

4. As the applicant, I certify I have disclosed all other incentives or financial compensation I received from any other entity (for example: USDA, FEMA or insurance) for the same project costs or equipment listed on this application.
5. By signing below, I attest that the project as described in the application is a result of damage due to the flooding and that I am not fully covered or receiving full financial reimbursement for those costs on this application by state, federal disaster aid, insurance or other emergency sources.
6. In the event the grant recipient utilizes a contractor to accomplish the project goals, National Grid makes no warranty, guarantee, or representation, express or implied, with regard to any materials or workmanship provided by any contractors engaged by the recipients or the reasonableness of the prices charged by them. The recipient understands and agrees that the contractor alone is responsible for the work, and not National Grid. National Grid assumes no liability or responsibility for any damages or claims resulting from your use of any contractor.
7. The information contained in this application, the required attachments and any site visit made by an authorized National Grid employee will be used to evaluate your project. An incomplete application will be disqualified.
8. Funds granted through this program may only be used by the applicant for the use stated and approved. National Grid reserves the right to require repayment of the funds granted by National Grid if the substance of the project is different than in the application or the requirements of the program are not met.
9. All materials become the property of National Grid and will not be returned. National Grid reserves the right to use any submitted material for marketing the Economic Development Program.
10. Program assistance is only available to customers who are current in payments with National Grid or have executed a deferred payment agreement unless arrears are directly related to this flooding.
11. National Grid makes no warranty, guarantee, or representation, express or implied, with regard to any economic benefits, energy savings, or improved energy quality resulting from use of Program grants. While the Programs are intended to provide benefits to recipients, the recipient understands and agrees that National Grid is not liable for any losses resulting from the recipient's participation in the Programs or from the Programs' failures to result in benefits to recipients.
