

ROUNDTABLE SCHOOL-BASED HEALTH CLINICS

Please join New York State Senators, Assemblymembers and advocates as they examine school-based health clinics and compare the cost of care models: fee for service vs. managed care

WHERE:

Legislative Office Building,
Room 120
Albany, New York

WHEN:

Monday, January 27, 2014
12:00 PM – 1:30 PM

FAST FACTS:

- ❖ School –based health clinics provide cost-effective primary, dental, mental health and reproductive health care to low-income communities.
- ❖ Centers lead to educational advancement and economic development.
- ❖ They have a proven record of impacting the health and education of children in a profound way, improving classroom attendance and graduation rates.

RSVP REQUIRED: Please RSVP to RSVPSenatorRivera@gmail.com.
