Senator Fuschillo's Breast Cancer Screening Day

Thursday, June 18, 2009

8:30 am - 2:10 pm

Seaford Public Library

2234 Jackson Avenue, Seaford

Screenings will be conducted by the Nassau Health Care Corporation. Their guidelines for the program are as follows:

- The program is open to all Nassau County women ages 40 and over.
- Women covered by insurance, Medicaid or Medicare will have their carrier billed and must bring their information card to the screening. Nassau Health Care Corporation policy now requires patients to be responsible for any co-pays charged by their carrier.
- Women ages 50 and older without health insurance will not incur any out-of-pocket costs.
- Nassau Health Care Corporation will contact uninsured women under the age of 50 prior to their appointment to participate in a financial clearance program to see if they are eligible for Medicaid and/or other government assistance programs.

**Appointments are necessary and will be scheduled on a first come, first served basis.
To arrange an appointment, please call Senator Fuschillo's office at 516-882-0630.**
