Make a splash and read with me this summer!

Now that you are officially a participant of the New York State Senate’s Summer Reading Program, use this reading journal to record your adventures. I have listed some easy steps to help guide you in your reading:

- 1. Choose at least three interesting books and start reading!
- 2. When you finish each book, write down the title and the author, telling me what the book was about.

3. After you have read three books, have a parent or guardian sign this journal.

4. Fold the journal in half, with the mail panel showing, tape the top closed, put a stamp on your journal and mail it back to me. Once I receive your completed journal, I will send you a special certificate congratulating you on completing the New York State Senate’s Summer Reading Program.

Your Friend,

A handwritten signature in black ink, reading "Charles J. Fuschillo, Jr." in a cursive style.
