-  Spend an hour with small business experts from the Governor's office and six state agencies, and learn what you need to know to start, grow, or simply function efficiently as a business in New York State.
-  Participants will be given the opportunity to meet with agency panelists for individual consultation following the presentation.
-  NY State has \$100 million available in assistance for small business and offers a range of free hiring, recruitment and training programs.
-  Get answers to questions on how to:
  - License and expand your business.
  - Protect your personal assets.
  - Explore tax breaks and development incentives.
  - Access the services for businesses in each state agency.

### **Presentations by:**

- Empire State Development
- Department of Labor
- Department of State
- State Liquor Authority
- Workers' Compensation Board
- Department of Taxation and Finance
