Presents

WOMEN IN POWER

FREE Training / Workshop for Women

March is Women's History Month

Participate in interactive workshops with leaders from **VoteRunLead**, an organization that supports the aspirations of women who want to transform our country and democracy through their participation as leaders. Learn the latest tactics to succeed, whether you are starting a new venture, organizing for policy change or running for office. Hear from other women leaders who will talk about the unspoken side of public, what it feels like to win (and lose), and tips for managing family.

Saturday, March 14, 2015
