

# BLOOD DRIVE

*In Memory of Nick Puzio*

**SATURDAY  
SEPTEMBER 7, 2024**

**9AM - 3PM**

**Farmingville Fire Department  
780 Horseblock Road, Farmingville**

In the early morning on March 12, 2023, the worst phone call a mother could ever receive is hearing that her son Nicholas, age 25, was hit by 2 hit and run drivers. While he was at a crosswalk the drivers just left him. I am very grateful to the other drivers that came to his aid. Nick got to the hospital, but he was in grave condition. Nick received blood to help keep him alive and possibly save his life. Nick's injuries were too severe, and he passed away from his fatal injury's a few hours later.

Nick was a huge light in this world. Extremely loving and generous. He would do anything for anyone. Nick's siblings, parents, family, and friends ask you to please donate and encourage others to do so.
