We have done our best to make this guide as complete and accurate as possible. Yet, in a City as dynamic and vibrant as ours, we may have missed useful resources. It is also common for organizations to move, change phone numbers, or close entirely. If there are additional resources or changes you feel should be included in the next edition of this guide, please feel free to contact Senator Hoylman's office at 212-633-8052 or [hoylman@nysenate.gov](mailto:hoylman@nysenate.gov).

The information in this publication is provided as a resource for parents and families in New York City, but is not intended as an endorsement of any organization or service.
