Those who served — and those who supported them in their service — have an opportunity to experience various holistic alternatives for achieving and maintaining personal wellness.

The setting for this event offers a peaceful and relaxing environment where children can play and and families and individuals can learn, share a meal, and laugh. Please join us for a host of activities for Veterans and their families dealing with post-service transition issues.

Children are welcome! Breakfast and lunch will be served.

Walk-ins are welcome, however the first 100 people to register will receive a Dwyer Project commemorative t-shirt.
