*"The task force makes me feel important because it makes my dreams come true. We all love Harlem, and New York State Senator Brian A. Benjamin supports us."*

- **Robert Selassie Jackson, Task Force Next Member**

*"It is the awakening of our young people in today's society. It is a platform for us to use our voices and to be heard in order to speak against injustices in our community."*

- **Rochelle T. Ross, Task Force Next Member**
