My Statement Regarding the 2022 Election

It has been the honor of a lifetime to serve the people of the 43rd Senate District for the last 4 years. Many of you have probably already seen the news that I have decided not to seek re-election this November. I will continue to serve as your Senator until the end of the year and my office will still be able to help with any issues that may arise. I want to thank the people of the 43rd for their support and for giving me the opportunity to serve them in the Senate. My office and I remain dedicated to helping all constituents with their requests for assistance. Thank you for the privilege of serving you!

Abigail Jenks Art Show

Friday night I attended the Abigail Jenks Art Show in Loudonville. This beautiful show is named in honor of the artist, SPC. Abigail Jenks who was tragically killed while training with her unit in Ft. Bragg NC. All of the pieces on display that night were made by Abigail. Her mother Mary has been a dedicated advocate for our veterans since the tragic loss of her daughter. Rather than charge admission to people, Mary asked that people make a donation to Veterans & Community Housing Coalition which works to prevent veteran homelessness. It was great to see so many of my friends including, Paul O'Keefe, Chaplain and Korean War Veteran, Justine Crowley Duncan, NYS Veterans Service Chairperson, and Michelle Viola-Straight -Director of Community Relations-Veterans And Community Housing Coalition.

Columbia County Veterans Service Agency PFC Dwyer Program Picnic

I had a wonderful time on Sunday with my friends in Columbia County to support the Joseph P. Dwyer Peer-to-Peer Veteran's Counseling Program. Thank you to Columbia County Veterans Services Director, Dwyer Program Director, and my good friend, Gary Flaherty for all that you do to help and serve our veterans and for inviting me to join you on Sunday. Throughout my time in the Senate I have worked hard to support and expand the Dwyer Program across New York to ensure our veterans get all the support they need.

Tenth Anniversary LifeSong Dash

I attended the 10th Anniversary LifeSong, Inc 5K Dash on Saturday morning at the Halfmoon Town Park. Since the first race, the event has continued to grow, becoming a United State Track and Field sanctioned 5k. The proceeds from the Dash go to support LifeSong members and staff, so they can continue to live LifeSong's mission to Love, Enhance, Equip & Inspire the lives of the developmentally disabled and their families.

Celebrating Flag Day

This past Tuesday was Flag Day, a day to celebrate the date in 1777 when the U.S. approved the design for our first national flag. We also celebrate what this symbol means to our great nation, what it means to those across the globe longing for freedom and liberty, and what has been sacrificed so we can fly it proudly today.

Over the weekend I was proud to participate in the Saratoga Wilton Elks Lodge #161 Flag Day Parade! It was so inspiring to see the thousands of people who came out to celebrate our flag and the nation it represents. I was especially excited to see my good friend Chaplain and Korean War Veteran Paul O'Keefe who served as our Grand Marshal. Paul is one of the most dedicated and heartfelt people I know and I was proud to present him with a New York State Senate Certificate to commemorate being the Grand Marshal. It was also nice to see Justine Crowley Duncan the New York State Veterans Services Chairperson. Thank you to everyone who came to celebrate with us.

Chamber of Southern Saratoga County 2022

I was honored to join the Capital Region Chamber of Commerce and The Chamber of Southern Saratoga County for their 2022 Salute to Business Awards. Four honorees were from the 43rd Senate District. The honorees included Adirondack Basement Systems, M.J. Engineering and Land Surveying, P.C., Ten80 Education, and one of my family's favorite BBQ restaurants Rollin' Smoke Handcrafted BBQ LLC. Each one of these businesses have earned the trust and support of the local community thanks to their hard work and great service
