Project Title: National Society for Hebrew Day Schools

(Incorporated Name of Organization)

Location of Project: Brooklyn, New York

County: Kings

Description of Project: The request grant will be utilized to augment our 1 to 1 mentoring program. This program is very much modeled after the big Brother/Big Sister Program with a major difference. All our mentors are either mental health professionals, professional outreach workers, or educators, so the mentoring program is really a bit more than lay mentoring as some counseling takes place well, including helping dropouts get back into school or preventing dropouts of students on the brink.
