Legislative Fellowships (13)

Memorial Fellowships
Richard J. Roth Journalism Fellowship (1) • Richard A. Wiebe Public Service Fellowship (1)
James L. Biggane Fellowship in Finance (1)

Thursday, September 7, 2017 through Wednesday, July 11, 2018

Application deadline is Friday, April 28, 2017. Each year there are approximately 16 fellowships.

All Senate fellowships are on-site in Albany, New York. Fellowships are not financial aid for academic work, on-campus or classroom study. Housing in Albany is the responsibility of the Fellow.

A Grant-in-Study Stipend is awarded — $33,000 — distributed in biweekly installments prorated from the first day to the last day of enrollment. Some benefit options are available (health, dental, vision, life insurance, and the New York State retirement program).

Applications from a wide range of interests and disciplines are welcome and encouraged. Training in the history/politics/government of New York State is not required. Placements are usually to the office of an elected member of the Senate or to a central staff office.

While Fellows are not Senate employees, after the program ends, Fellows may sometimes be hired to full employee status in the Senate. A great number of former Fellows are today employees of the Senate, the Assembly, the Executive Chamber, state agencies, associations, and lobbying firms.

The fourth writing sample is your Statement of Purpose. It should be no more than two single-spaced, 8.5 x 11 pages. The Statement should explain why you are applying, what you hope to accomplish, and which fellowship you prefer and why.

Interviews and Selection
Interviews will be scheduled during the months of May and June and selections determined in July.

Office Placement
All office placements are arranged by the Office of Student Programs only. Each Fellow is assigned to a specific office and is expected to function as a regular staff member.

While most placements are to the office of an elected member, the Roth, Wiebe, and Biggane placements are made to central staff offices rather than the office of an elected member. The Roth placement is made to the Senate Majority Press Office, the Wiebe placement to the Majority Counsel/Program Services Office, and the Biggane placement to the Senate Finance Committee.

Concurrent employment, on-campus obligations, and class work that may conflict with fellowship commitments are prohibited. Upon arrival in September, Fellows participate in an orientation program in addition to regularly scheduled informational forums.

Senate Fellows are required to work a minimum of 35 hours per week or 70 hours per biweekly pay period. Due to the nature of legislative work, longer hours may sometimes be necessary and are to be expected during some portions of the Fellowship Program. Additionally, Senate Fellows must work through the last scheduled date of the Program in order to receive the full and timely payment of their final biweekly stipend check.
