

3 Point Shootout

Rules:

- 1. Shooters will have 60 seconds per round. The clock will start when the first shot is released.**
- 2. There will be 5 stations, each with 4 brown balls and 1 red, white & blue ball. Brown balls = 1 point each. Red, white & blue balls = 2 points each.**
- 3. At each station, the 4 brown balls must be shot before the red, white & blue ball.**
- 4. All shots must be released behind the three-point line.**
- 5. Shooters can start from either the left or right side to complete each station, whichever is more suitable for them.**
