Have a great idea for a community improvement project?  
Apply for a New Yorkers for Better Neighborhoods Award!

Through New Yorkers for Better Neighborhoods, Citizens Committee for New York City awards grants of \$500 to \$3,000 to volunteer-led groups to work on community improvement projects.

We believe that people can make important change happen on their streets and in their communities by working together. We support New Yorkers across the city in their efforts to build stronger communities. In addition to small grants, we offer one-on-one project planning assistance, skills-building workshops, and a resource center with access to computer stations, conference space and an equipment loan library. We also bring people together to share ideas, experiences, and expertise.
