

January 2007

Dear Constituent:

It is my pleasure to provide you with a copy of the 2007 New York City Parking Calendar.

Please keep the calendar handy and refer to it whenever you have questions about where and when you may legally park your car on holidays and days of religious observance throughout the year. Knowing the parking rules may save you the headache and expense of receiving a ticket or having your automobile towed.

I hope you will find this calendar useful throughout 2007.

As always, if I or my staff can be of any assistance to you, please don't hesitate to contact my office.

Sincerely,

*Velmanette Montgomery*

## New York City Residents:

**You must now Dial 311 to contact New York City DOT.**

**311 is New York City's Phone Number for Government Information and Services.**

Among the many services accessible through 311, you can:

- Obtain information about NYC Street Cleaning Rules.
- Find out if alternate side of the street parking is in effect.
- Report a loud noise or blocked driveway.
- Report a pothole or street light that needs to be fixed.
- Obtain your local garbage pickup schedule.

All calls to 311 are answered by a live operator, 24 hours a day, seven days a week, and services are provided in over 170 languages. Dial 311 from within the City or 212-NEW-YORK (212-639-9675) outside the five boroughs. TTY service is also available by dialing (212) 504-4115.

All of NYC was designated a Tow Away Zone under the State's Vehicle and Traffic Law in 1959. This means that any vehicle parked illegally, or with missing or expired registration or inspection stickers, may be towed.

Double parking of passenger vehicles is illegal at all times, including street cleaning days, regardless of location, purpose or duration.

It is illegal to park within 15 feet of either side of a fire hydrant. The painted curbs at hydrant locations do not indicate where you can park.

An occupied, illegally-parked vehicle causes the same safety hazard and congestion as an unoccupied vehicle. Exercise responsibility, park legally.

This brochure was prepared with information from the New York City Department of Transportation, 40 Worth Street, New York, NY 10013, Dial 311 or visit: [www.nyc.gov/calldot](http://www.nyc.gov/calldot)
