Holiday Blessing

May the peace of the season

Bring gladness to our hearts,

May it be that perfect guiding light

That directs us on life's paths.

And when dark and dismal seems the way,

And no hope nor comfort can be found,

May the beams of love, joy and hope

Be our turnaround

May the sweet taste of laughter,

Fill our hearts and souls,

May we find life's greatest treasures

In the hearts of young and old.

May our prayers always be answered,

For our soldiers to return safely home,

And though we cannot hold them close,

May they never feel alone.

May we welcome new beginnings

With the dawning of the day.

And be ever mindful

Of the things we do and words we say.

May we live our lives with purpose,

Without doubt and pain and fear

May our season of bountiful blessings

Last throughout the coming year.

STRONGER COMMUNITIES

An asset is item that is obtained with the expectation that it will produce returns or increase in value in the future. When people make an investment, they expect the proceeds to be in abundance. I am asking you to join me with our INVEST IN THE 19th SENATORIAL DISTRICT INITIATIVE. I am asking you to join me in investing in the 19th Senatorial District. Let us work together to lower the crime rate, increase educational initiatives and achieve pay equality. With a combined effort we can ensure our communities are affordable, a great place to live and raise our children. Whether you are a block association president, leader in the community, member of clergy or a concerned citizen I would like to hear from you. It is my aim that as we move forward you would be a distinctive part of our team of investors in the District. Your input will help us to continue building and celebrating the culture of Senate District 19. There is strength in numbers and together we can build stronger communities. My office and I are looking forward to hearing from you.

BLOCK ASSOCIATION PRESIDENTS & CLERGY MEMBERS

Are you a Block Association president or a member of Clergy who has not had the opportunity to be part of the monthly meetings? Your input is vital to the continued growth of our communities.
