Senator Phil Boyle invites you to take part in the **32nd Annual New York State Beach Cleanup on Saturday, September 15**. This volunteer-driven effort is a part of the International Coastal Cleanup, which is coordinated by the Northeast Chapter of the Littoral Society.

Volunteers from throughout our community will work together to remove debris from the beach while identifying and documenting the types of debris they find. All information gathered by volunteers will be sent to The Ocean Conservancy to be analyzed and used to develop strategies to help combat marine pollution.

Your efforts, alongside your fellow volunteers, is vital to our ongoing efforts to restore our beaches, and protect our environment and way of life. **Please call Senator Boyle's District Office at (631) 665-2311 to RSVP** and join Senator Phil Boyle and countless volunteers at Robert Moses State Park on Saturday, September 15.
