

# **Our Planet will be like this if you help**

## **By Camden Jones**

Green grass  
Flowers, leaves  
Less trash  
More trees  
More animals  
Birds chirping  
Cows mooing  
Wolves howling  
Fresher ingredients  
Wheat  
Milk  
Clean air rubbing on your skin  
Leaves falling on you  
Animals, leaves, lakes,  
Ocean, the woods, ponds, swamps  
And so much more...
