

TAX PREPARATION ASSISTANCE MONTH

With State Senator Serrano

This February, our off-site constituent hours will be focused on informing constituents about the free tax services available through government agencies and non-profit organizations. IRS-trained and certified volunteers from the NYS Department of Tax & Finance and Ariva will be joining us on select days to provide general advice about the tax-preparation process and to connect constituents to their free tax preparation sites. In addition, our office will be providing constituents with a full list of all of the free tax preparation sites throughout the 29th Senate District for their convenience.
