

## **Senator Toby Ann Stavisky Hosts Valentine’s Mobile Office Hours at International Towers Senior Center in Jamaica**

**QUEENS, N.Y.** — Senator Toby Ann Stavisky recently joined her staff at a Mobile Office Hours event at the International Towers Senior Center in Jamaica, bringing state services directly to local residents and sharing Valentine’s Day cards collected from students across the district.

As part of the visit, the Senator’s office distributed handmade Valentine’s Day cards created by students from schools throughout the district. The cards were shared with seniors at the center as a small gesture of appreciation and intergenerational connection.

“As an educator, I have always believed in the importance of connecting generations,” said Senator Stavisky. “The handmade Valentine’s cards from students at JHS 194, PS 193, PS 184, PS 94, and BELL Academy brought real joy to our seniors. It was wonderful to see the smiles and to feel that sense of community.”

In addition to the card distribution, the Mobile Office Hours provided seniors with an opportunity to speak directly with the Senator and her staff about government services, benefits, and any concerns they may be experiencing.

“My office is here to serve,” Senator Stavisky added. “Mobile Office Hours allow us to meet residents where they are. Whether someone needs help understanding a notice, resolving a problem with a state agency, or simply has a question, we want them to know they are not alone.”

Senator Stavisky remains committed to supporting older adults throughout the district by improving access to services, protecting affordability, and ensuring seniors have a direct line to their state government.
