Dear Sun & Surf Beach Club Family,

We are writing to express our deepest sympathy for the devastation caused by last night's tornado at Sun & Surf Beach Club. We understand how much this club means to families who have made it a part of their summers for generations, and we cannot imagine how difficult it is to see it damaged in this way. We also want to recognize the staff and crew already working hard to clear debris, whose dedication reflects the strong sense of community that defines Sun & Surf.

Please know that our offices are ready to assist you in any way possible as you begin the process of rebuilding and recovery. We are here for you every step of the way and we will continue to explore how we can best support you throughout this process.

Sincerely,
