

Senator Michael Venditto

& the Mill Neck Services Center for Hearing Health

FREE HEARING SCREENING

Tuesday, August 30, 2016

1 p.m. to 4 p.m.

Massapequa Public Library-Bar Harbour
40 Harbor Lane, Massapequa Park

The screening is a brief procedure, performed by a licensed audiologist, which will indicate whether or not an individual's hearing is within the normal range. Based upon the results, recommendations will be made if further evaluation is necessary.

Appointments are necessary and this program is open to all residents aged 6 and older

**To schedule an appointment or for additional information, please call
Senator Venditto's office at 516-882-0630.**
