

# SENATOR CHRIS JACOBS' FREE SENIOR SCAM PREVENTION SEMINAR

Senator Chris Jacobs will partner with the Better Business Bureau to inform seniors about the alarming trend in senior targeted scams.

**“Far too often our seniors are the targets of identity theft scams. The more our seniors know about how to protect themselves, and what to do should they become a victim of these scams, the better. That’s why seminars like this one are so important. I hope you can attend.”**
