

I want to see that ONLY US CITIZENS who are legally registered to vote, get their ONE vote.

1. We must have photo ID for all voters at the polls
2. We need to ensure that only US Citizens who are legally registered to vote, get to vote with only ONE ballot
3. DO NOT mail out paper ballots to anyone except those who request an ABSENTEE BALLOT.
4. We must ensure that there is no ballot harvesting.
5. There should be only one day of voting, no early voting.
