STATE BUDGET DELIVERS SAVINGS FOR SENIORS

New York's seniors have spent a lifetime working in our communities, saving for their retirement and preparing for their golden years. Senator Lanza is working hard to ensure that programs for retirees and seniors on fixed incomes are preserved and improved, not only for today's seniors, but also for the retirees of the future.

In this year's State Budget, Senator Lanza:

- Fully funded New York's outstanding Elderly Pharmaceutical Insurance Coverage (EPIC) Program at \$126.5 million to help cover the prescription drug costs for our seniors. Last year New York increased income eligibility for EPIC to \$75,000 for singles, and \$100,000 for couples, to give more Staten Island seniors valuable savings on their prescriptions.
- Fully funded the Enhanced STAR property tax relief program for seniors.
- Supported other programs that provide a broad range of senior services, including nutrition, housing, transportation, in-home care and pension security.

GET FREE LEGAL ADVICE

In last year's State Budget, Senator Lanza helped secure funding for a Mobile Legal Help Center – a vehicle equipped with private meeting rooms and technology inside – which functions as a full-service office. The Mobile Legal Help Center will be stationed at Mt. Loretto and will have lawyers onboard to provide FREE legal assistance to Staten Islanders in need. Assistance will be provided on a first come, first serve basis.
