

# Immigration Services

With State Senator Serrano José M. Serrano,  
The Mayor's Office for Immigrant Affairs,  
& The New York County District Attorney's Office

This March, our off-site constituent hours will focus on bringing free immigration services to the communities of the 29th Senate District. On select days, the Mayor's Office of Immigrant Affairs and The New York County District Attorney's Office will be joining us to share information about various programs and initiatives designed to help immigrant communities.

Representatives from the **Mayor's Office of Immigrant Affairs (MOIA)** will be creating appointments for those who need **free**, immigration legal support through the Mayor's ActionNYC initiative and for those who would like to sign up for IDNYC. Representatives from the **New York County District Attorney's Office** will be joining us to create awareness about how immigrants communities are often victimized through fraudulent schemes and how individuals can protect themselves from these scams.
